

Markfield Quarry - Over the Fence Area

Approach Notes: Just left of the tall Grey Slab, climb the fence, a piece of carpet and a ladder make this much safer.

1. Prisoner of Azkaban 6c

From sitting, follow the break to the jug, use this to rock left to good edges, from here move back right to high finish in the center of the wall.

2. Solitary Confinement 7b+

Sit start, left hand undercut, right hand sloper, gain the break, eliminating the jug, move left using holds close to the left arete to gain the shelf and finish.

3. Loctite and Loaded 7a+

Sit Start as for Solitary Confinement, climb direct to the high finish eliminating the good edges out left.

4. Crackside 6b+

Start standing, climb the crack to the good hold high up, from here stretch out left to gain the high finish in the center of the wall.

5. General Population 7a+

Start sitting as for Solitary Confinement, use the jug to link and finish up Prisoner of Azkaban.
